HOST SITE PROPOSAL

This document features a comprehensive proposal outlining the host site sponsorship of the 2021 and 2022 USA Triathlon Collegiate Club National Championships. The local organizing committee chosen as host should place primary emphasis on the safety and quality of the event while also generating community interest and respectfully representing the USA Triathlon brand.

ABOUT USA TRIATHLON

USA Triathlon (USAT) is the national governing body for the multisport disciplines of triathlon, duathlon, aquathlon, paratriathlon, off-road, and winter triathlon in the United States. USA Triathlon is a member federation of the U.S. Olympic Committee and the International Triathlon Union (ITU).

USAT coordinates and sanctions over 4,300 grass-roots and elite multisport events across the country. USAT's membership exceeds 150,000 and is comprised of athletes of all ages, coaches, officials, parents and fans striving together to strengthen multisport.

The mission of USA Triathlon is to grow and inspire the triathlon community. Our vision is to provide the resources required for all in the triathlon community to reach their full potential.

EVENT BACKGROUND

The event is a two-day multisport event that takes place in April consisting of pre-race activities & expo, the USA Triathlon Collegiate Club National Championships, draft legal and mixed relay races. USAT prefers that a local university/college serve as the host and participates in the planning of the event, but is not required.

The Collegiate Club National Championships is a team competition that will put 120+ collegiate teams head-to-head to battle for the Collegiate Club National Championships. The Collegiate course consists of a 1.5km swim, 40km bike and a 10km run. Host sites can expect teams from Purdue, U.S. Air Force Academy, U.S. Naval Academy, West Point, UC Santa Barbara, Stanford, University of Florida, University of Colorado, The Ohio State University, Colorado State University, and many more. The draft-legal races will feature a 750m swim, 20km bike (on a looped basis), and 5km run.

In teams of four, the mixed relay race will allow athletes to showcase their talents in this great event. The draft-legal race will consist of 75 of the nation's best collegiate triathletes competing head to head in this exciting, sprint-distance event.

EVENT OWNERSHIP

USA Triathlon owns and operates this turnkey event. USAT will serve as race management and work closely with the LOC to make sure a successful event is produced. The LOC will serve a vital role in the planning and connecting USAT with the right individuals and agencies within the community.

USA Triathlon does reserve the right to use a housing service to secure the necessary hotel room needs for the event.

EVENT MARKETING

This event will be marketed throughout the United States by USA Triathlon. USA Triathlon will market the event through its print and electronic media outlets. For increased event recognition, the event will include a webpage, with links to all partners, sponsors and the host city CVB/Sports Commission.

Because USAT sees this as a partnership, the LOC's logo will appear in conjunction with all marketing, advertising and promotion for the event. The LOC reserves the right to review and approve all collateral material for the event prior to its production. The LOC also may use USAT's logo in conjunction with its printed information but only with approval from USAT.

USA TRIATHLON PARTNERSHIP WITH THE LOC

USA Triathlon will work with the LOC to create and implement a marketing promotion centered on the event location. Such promotions may include special pre-event vacation packages, discounts on future vacation visits to the area, special athlete tours of historical or unique sites, etc.

USA TRIATHLON SITE SELECTION CRITERIA

USA Triathlon will use the following guidelines in reviewing the proposal and in the selection process.

- Swim Course: Clean, scenic body of water, with temperatures ranging between 60F and 80F.
- Weather: Moderate and reliable (No threats of hurricanes, searing heat, forest fires, etc.)
- Bike Course: Safe course with roads that are entirely closed to traffic and can accommodate the athletes comfortably. Road conditions are good with minimal safety concerns.
- Hotels: Should be able to service 1,400 athletes plus coaches, staff, friends, family, spectators, and sponsors. Dorms, home stays, campgrounds, etc., are alternative housing options. Attempts should be made to minimize the cost of the hotel room block.
- Race Venue: Adequate space for swim start/finish, transition area, finish line, athlete recovery area, spectator viewing, parking, and race expo. Venue should not be more than 20 minutes drive from hotels. No split transition area.

SAMPLE EVENT SCHEDULE

LOC/HOST SITE BENEFITS

Hosting a national championship provides exposure and financial rewards to the local organizing committee as well as the community. USA Triathlon has provided a breakdown of the financial impact of hosting an event of this caliber in the Economic Impact Projections section of this document. Additionally, revenue can be increased through obtaining local partners and sponsorships to purchase paid advertisements leading up to and through the event.

- Promotion/Ad Budget: valued at \$50,000—includes full-page ads in USA Triathlon Life (150,000 circulation) and regional triathlon publications (combine for roughly 55,000 circulation). This same information will be placed on various Regional Federation websites as well as the event website and USAT's national website.
 - Full-page ad in Official Program
 - Logo on all collateral materials for event
 - Logos on event signage on site (provided by LOC)
 - Public address announcements during the event
 - Exposition booth
 - Premium insert into athlete pre-race goody bags
 - Select representative of the Host Site may present awards to athletes
 - Four VIP passes for select officials (if VIP tent is present)
 - Logo and event information on USA Triathlon Web Site – www.usatriathlon.org
 - Official press releases submitted to all certified USAT coaches, USAT certified clubs, media within a 200 mile radius of the event, including all daily and weekly newspapers
