BID INFORMATION

EVENT OVERVIEW

The USA Gymnastics Championships (USA Gym Champs) is a five-day competition involving the top Rhythmic, Acrobatic and Trampoline & Tumbling gymnasts in the United States. This event combines three JO Championships for each of three disciplines with an exciting combined competition for the senior elite gymnasts of all three disciplines in one arena. Along with crowning national champions we will name the national teams that will be training for World Championship and World Cup assignments

There will be approximately 1600 athletes and an additional 600 coaches, judges and staff coming from around the country to participate.
