ABOUT T2 SPORTING

- T2 Sporting has helped create and manage 1000's of sporting events and leagues across North America and given thousands of kids and adults the chance to get in the game.
- T2 Sporting has developed a grass-roots marketing strategy where we work with local sports commissions, VCB, or CVB who are looking to bring in a BIG new annual event.
- With our extensive background in sports management and your love and knowledge of your community we can create an awesome new annual event that will be a great addition to your area as well as bring in LOTS of out of town visitors to your shops, hotels, and restaurants.
