U.S. Masters Championships	October 23 – 27, 2024	Open	300
Coaches College & All-Star Camp	November 2024	Open	125

Tournament Bid Information

USA Artistic Swimming is pleased to take this opportunity to introduce you to the Olympic sport of artistic swimming and its national events. USA Artistic Swimming hosts a series of national and international artistic swimming events beginning each spring and ending with the US Artistic Swimming Masters Championships in the fall.

USA Artistic Swimming will accept bids from any city, CVB, sports commission or artistic swimming division interested in hosting a national event. The bid must provide facilities, commit services, supply personnel and volunteers, letter of intent and proposed host hotels to USA Artistic Swimming. The range of events and the flexibility that USA Artistic Swimming offers in sharing responsibilities provides hosts with various levels of involvement.

Proposals are due to USA Artistic Swimming based on the following schedule:

2021 proposals are due June 1, 2020.
2022 - 2023 proposals are due December 30, 2020.

USA Artistic Swimming will rotate each events location yearly. We are interested in multiyear agreements with host that will rotate through multiple events. Example would be to host 2020 Junior Olympic, 2021 Masters, 2022 Open and 2023 Junior/13-15.

Proposals are accepted and evaluated on a rolling basis, so tournaments may be awarded to cities that have submitted excellent bids in advance of the deadline. *Please see the check list & sample hotel grid on page eight as this must be included with your proposal.* As such, there is an advantage to early submissions, but all proposals *must* be received by the above deadlines. Only complete bids will be considered by USA Artistic Swimming.

Tournament Housing:

Housing Service (HS): USA Artistic Swimming has a housing partnership with Team Solution. Event host will be required to work with our housing partner to find hotels in close proximity to the venue and assist in covering 12-15 complimentary rooms for head staff and officials and 10% commission.

The headquarters hotel must include staff/officials' rooms. The headquarters hotel will offer a combination for the staff block to contain both complimentary rooms and rooms at a reduced rate. The headquarters hotel shall be in close proximity to the venue.

REQUIRED: Complimentary breakfast for any official or staff staying at a headquarters hotel from the day after check-in through day of check-out (example: 15 staff staying

for five nights should receive 75 breakfasts). Breakfast must begin by 6 a.m. and be served until at least 9 a.m. each day.

Host Organization:

Cities, city organizations, sports commissions or artistic swimming clubs interested in hosting a national tournament should include information on venue rental and hotel grids outlining the rates and distance from the venue, along with any other information outlined in Bid proposal Check List and any other items that will enhance the bid. Organizations interested in hosting an event should be prepared to arrange a hotel, airfare and ground transportation to accommodate a site visit for (1) USA Artistic Swimming representative to inspect the proposed facilities. After the proposal has been received, USA Artistic Swimming representatives may schedule a site inspection to review bid specifications: venue, hotel, location, services, and transportation.

A LOC (local organizing committee) that is comprised of both representatives of a local artistic swimming club (whenever possible) and CVB/sports commission members provides the most attractive combination for a successful event. The following information is offered to assist your organization in assessing the feasibility of hosting a USA Artistic Swimming event.

Venue Requirements:

The event venue is the single most important element in hosting a successful event. The venue must be available from approximately 6 a.m. - 11:59 p.m. each day of the tournament and for at least one (1) day in advance for set up. It must be clean, well maintained and possess the following characteristics from FINA facility standards.

National Championships

Pool Dimensions

- 12 meters (40') by 25 meters (82') is required, within an area of which 12 meters by 12 meters must have a minimum depth of 3 meters (10'). The depth of the remaining area shall be 2 meters (6.5') minimum.

Warmup – Practice Pools

- Separate pool with some deep water or similar area divided from the competition area by bulkhead and/or screen

Seating

- It is preferred that the spectator section space be in the same viewing area as the competition space.
- U.S. Collegiate: Seating for 500 spectators and participants, above deck level
- U.S. Senior & Junior: Seating for 500 spectators and participants, above deck level
- U.S. 13 – 15 & 12U: Seating for 600 spectators and participants, above deck level
- America Open: Seating for 300 spectators and participants, above deck level
- U.S. Junior Olympic: Seating for 1,500 spectators and participants, above deck level
- U.S. Masters: Seating for 300 spectators and participants, above deck level

Deck Space

- 8' – 12' surrounding entire pool, at least one end free from obstacles for team entry

Routine Start Area

- 4' x 12' staging area at the deep end of the competition area, clear of obstacles and covered with non-slip surface

Pool Ladders

- Two on each side of the competition area: if not built in, secure portable ladders may be used

Shade Structures

- If event is held at an outdoor pool, host must provide shade structures for judges, announcer, scoring table, music and internet broadcaster

Expo Space

- Room for one 10' x 20' booth space for Team IP.
- Room for 10 additional 10' x 10' booth spaces. This includes providing tables, table clothes, booth signs and power outlets (if requested)

Dressing Room

- U.S. Collegiate, U.S. National, U.S. 13-15, U.S. Junior & U. S. Masters: two dressing rooms with space for at least 150 participants. U. S. Junior Olympic: Four separate dressing rooms with space for 200-400 participants
- Including sufficient number of lockers, showers, restrooms and mirrors with available hot and cold water, non-slip walkways

Gelling Facilities

- Gelling: a facility preferable indoors, with enough space for several teams to work comfortably, and with access to chairs, mirrors and hot water in quantities compatible with the number of athletes in competition
- De-Gelling: access to showers and/or hot water in which athletes can wash out their hair throughout the competition, and must be available on the final day of competition

Restrooms

- Six (6) for participants, with additional facilities for spectators and workers to use. Two (2), deck level, dry restrooms for officials

Electrical Capacity

- Multiple GFCI-equipped outlets for use with sound, scoring and video production systems, along with separate outlets to accommodate office-equipment needs. Sufficient outlets in exhibition area to support vendor needs

Internet

- Free dedicated highspeed internet access in scoring room and vendor location. Free hard line 100x100 Megabits internet connection for live web broadcasting

Judges Seating

- Elevated platform seating for up to 15 total judges

Climate Control

- Indoor: Ability to maintain constant and comfortable temperature surrounding the competition and spectator areas.

Water Temperature

- 79 – 81°F for all events

Water Clarity

- Sufficient clarity for the bottom of the pool to be visible from all angles and elevations and in compliance with local health standards

Parking

- Adequate parking space for all USA Artistic Swimming officials, event workers, vendors, exhibitors, participants and spectators.

Dry Land Practice Area

- Sufficient open space (hallways, classrooms, outdoor area, etc.) out of spectator view and inclement weather conditions. Gymnasium or larger required for JOs.

Scoreboard

- Technician on site for set up to assist with scoreboard connections
- America Open requires a video scoreboard

Sound System

- Host to provide PA sound system capable of producing uniform clear sound through the competition area. USA Artistic Swimming will provide remaining equipment.

Meeting Rooms

- Four rooms, including one each for: coaches/officials meeting and hospitality, scoring room, athlete ready room and training/first aid. Rooms must be climate controlled

Hospitality

- Meals and snacks during competition time provided by the Host for judge & staff

Facility Maintenance

- Facility staff to maintain cleanliness of facility during event.

Pipe and Drape

- Required pipe and drape of 10' high by 75' wide

Trials and Camps

Pool Dimensions

- 12 meters (40') by 25 meters (82') is required, within an area of which 12 meters by 12 meters must have a minimum depth of 3 meters (10'). The depth of the remaining area shall be 2 meters (6.5') minimum.

Dance Studio

- Studio or gym space for land drill training

Water Temperature

- 79 – 81°F for all events

Sound System

- Host to provide PA sound system capable of producing uniform clear sound through the competition area and underwater speakers.

Meeting Rooms

- One large meeting space for trials
- Multiple meeting rooms and one large gym/meeting space for camps

Judges Training

Hotel

- Within close proximity to an international airport with shuttle transportation provided

Meeting Rooms

- Multiple meeting rooms available for judge training and testing

Bid Proposal Check List:

Please fill out the check list below submit with your Bid Proposal

All Events, Camps and Trials	
<input type="checkbox"/>	Venue proposal with layout and detailed deck map outline depths and size of pool.
<input type="checkbox"/>	Rental Fee including meetings rooms, tables, chairs, risers, lifeguards, supervisors, etc.
<input type="checkbox"/>	Onsite catering options or off-site preferred vendors along with expenses
<input type="checkbox"/>	Hotel grid for staff and attendee rooms including rate, breakfast, internet, parking and distance from the venue
<input type="checkbox"/>	CVB/sport commission proposed incentives
<input type="checkbox"/>	Information on your airport including the number of flights in and out each day with a list of other cities that have flights to the proposed city
<input type="checkbox"/>	Proposed community outreach partner(s)
<input type="checkbox"/>	Shade structures for outdoor events only
<input type="checkbox"/>	Free parking at venue for staff and judges
<input type="checkbox"/>	Volunteer availability. See sample volunteer schedule at the end of this document
National Championships	
<input type="checkbox"/>	Gymnasium or meeting room space for Dry Land Practice and team hangout. (Large space required for Junior Olympics)
<input type="checkbox"/>	Ability of hardline internet connection for live web broadcasting and dedicated Wifi for event staff and vendors.
<input type="checkbox"/>	Pipe and drape capability and expenses
<input type="checkbox"/>	Staging (required for America Open, suggest for remaining events) expenses
<input type="checkbox"/>	EMT Presence at events (required at Junior Olympics, suggested for remaining events)
<input type="checkbox"/>	Transportation (required for America Open during the duration of the event between hotel, airport and venue. Suggested for remaining events between hotel and airport)
<input type="checkbox"/>	PA Speakers
Trials & Camps	
<input type="checkbox"/>	Include gym specs and meeting room availability for clinics
<input type="checkbox"/>	Sound system including PA speakers and underwater speaker
Judges Training & Convention	
<input type="checkbox"/>	Hotel rates, meeting room rental rates and transportation to and from airport

As with any event, there are ideal scenarios USA Artistic Swimming looks for in the selection of a host city. The following elements are examples of how details can truly make a difference:

- City located within close proximity to a hub airport
- Securing a free facility rental fee with free move-in days and no fee for meeting space
- Taking additional steps to relieve USA Artistic Swimming of tournament expenses. Bids that cover the cost of internet, tables/chairs/staging, shuttle transportation and facility rental are viewed favorably.
- Hosting an event during a city's off-season and using a hotel on a weekend, to minimize the cost of the hotel room block not to exceed \$129/night.
- Support from the CVB/sports commission in reducing or eliminating pool rental expense, marketing prior to the event (banners, welcome signage in hotels/airport/restaurants/venue/street, reaching out to local media)
- Covering the cost of catering meals for staff and judges. Additional incentive when including coaches in this catering
- Having the host hotel(s) within walking distance of the venue for convenience and to alleviate USA Artistic Swimming of having to use cabs/rental cars/shuttles
- Provide a keepsake/gift for all registrants (150 - 1,500 total depending on the tournament) – typically something with the city logo
- Local activities in conjunction with the tournament can provide participants with entertainment options in addition to the artistic swimming competition.
- Securing of city/local grants to aid local grassroots/developmental artistic swimming programs
- Commitment of local media to promote the event
- Shuttle transportation to and from airport for staff and judges

Tournament Profiles:

US Collegiate Championship

Move in would be on Tuesday/Wednesday with competition Thursday – Sunday.

Organizational Background:

The Amateur Sports Act of 1978 specifically named the United States Olympic Committee (USOC) as the coordinating body for amateur athletic activity in the US directly relating to international Olympic athletic competition. The Act included provisions for recognizing National Governing Bodies (NGBs) for the sports programs of the Olympic and Pan American Games.

USA Artistic Swimming is the recognized NGB for the sport of artistic swimming in the United States. USA Artistic Swimming was founded in 1979 based on the success of the previous year's Sports Festival, the United States established its first national team. Team USA wins the team event at VIII Pan American Games in San Juan, Puerto Rico and at the first World Cup in Tokyo.

USA Artistic Swimming is affiliated with the *Fédération internationale de natation* (FINA), the international swimming federations was founded in London in 1908.

Mission Statement:

USA Artistic Swimming unities, promotes and inspires athletes to return to the Olympic Podium by 2024.

USA Artistic Swimming is recognized by the United States Olympic Committee as the National Governing Body for the sport of artistic swimming and by FINA as a constituent member of United States Aquatic Sports for participation in the Olympic Games.

Board and Staff Information:

- 10 Board Members
- 4 Independent Directors
- 2 Board Meetings per year
- 6 Staff Members

USA Artistic Swimming Individual Membership: 6,000 members

Gender: 97.3% Female 2.7% Male

18 years of age and younger	22%
18 – 36 years of age	47%
Using Facebook daily	83.7%
Likely to show loyalty to a sponsor of USA Artistic Swimming	44.9%
Make online purchases	90.1%
Top five states of residency	CA, FL, NY, OH and AZ

- Income: 44% have a household income greater than \$100,000
28.5% have a household income greater than \$125,000

Member Clubs: There are currently 176 artistic swimming clubs in the United States.

Universities & Colleges: There are three college varsity programs, 24 college club programs and four college start up programs.

Zones as Partner Opportunities

USA Artistic Swimming is divided into four zones; North, South, East and West. Each year between the end of February to early March these zones host a qualifying event. USA Artistic Swimming will connect you with Zone Leadership to create an agreement to help host their events. Room nights depended on host city and team proximity.

- North: 250 athletes
- South: 250 athletes
- East: two events at 150 athletes each
- West: 300 athletes

Sample Volunteer Schedule

National Events	Free Event	Tech Event	Figure Event
