The USBC Women's Championships is one of the world's largest annual participatory sporting events for women, attracting between 4,000 and 6,000 four-player teams (16,000-24,500 participants) annually over a 90- to 100-day period. Participants at the Women's Championships will compete in one or two bowling centers in close proximity to each other, with two centers of at least 48 lanes or one 60-lane center preferred. Using two centers, one will host the team competition, and the second will host the doubles and singles competitions. For more specifics, see Section IV, Host Community Scope of Services.

The Women's Championships features a multi-division scratch format based on average. Bowlers compete in team, doubles and singles events. Bowlers usually take part in the three-game team event the first day and six games of doubles and singles competition the following day.

## SECTION IV HOST COMMUNITY SCOPE OF SERVICES

The USBC Women's Championships is contested on a minimum of 48 bowling lanes. The event is a near 100% turnkey operation, managed entirely by USBC.

A potential host may propose two centers with 48 lanes each within close proximity to each other, or a single 60-lane center. The facilities shall be available for the exclusive use of the USBC from approximately April 1 through July 31 of the proposed host year. In addition, the USBC shall have access to approximately 5,000 square feet of storage space at no cost to the USBC during this time. The daily operation of the tournament depends on the proposed facility or facilities. The USBC will work with each center proprietor to develop a schedule conducive to success for all parties.

The following section details the scope of services the host community is responsible for providing as the host of the Women's Championships. USBC encourages the host community to form a Local Organizing Committee (LOC) to assist with many of these needs. Unless otherwise noted, all items shall be provided at no charge to USBC. All items are subject to USBC approval.

The host community shall provide the following services, including, but not limited to:

### ADMINISTRATION

- The successful proposer shall enter into a non-binding Letter of Intent within 30 days of selection, prior to any official announcement being made by either party. A sample Letter of Intent is attached as Appendix A.
- Enter into a contractual agreement with the USBC stipulating the obligations and responsibilities of each party necessary to conduct a successful Championships.
- Identify the entities to serve as a Local Organizing Committee (LOC), if any. The LOC may evolve from a sports foundation, CVB, city council or other civic group and should include a member of USBC's local bowling association.

### MARKETING AND PUBLICITY

- Develop the overall theme for a Tournament Welcome Campaign. The Welcome Campaign should include airport signage, airport greeters, street-pole banners throughout the city, hotel welcome and information tables, and outside venue welcome signage.
- Develop and execute a media plan for promoting and marketing the Championships to the general public in the local and regional area. The campaign shall include both print and electronic media.
- The Host Community/LOC may develop a temporary website to supplement the information posted at the USBC website.

### COLLATERAL MATERIALS

- Develop a signage matrix consistent with USBC guidelines. Produce informational, directional and welcome signage outside the venue. Install and maintain all signage.
- Design, produce and distribute a "special run" visitors' guide for distribution at the Championships.

### **LOGISTICAL REQUIREMENTS**

- Provide labor and logistics as required for load-in, load-out, maintenance, custodial service and security during the build-out and throughout the event. These services are typically provided by venue staff.
- Provide adequate storage for delivery and return of items shipped to Host Community for use by vendors, sponsors, partners, USBC and others. Storage space shall be approximately 5,000 square feet and shall be fully enclosed, weatherproof and lockable. The space shall be available for a one-year period, beginning at the end of the Championships from the prior year through and including 14 days immediately following the final day of competition.

## SECTION V USBC-PROVIDED SERVICES

The USBC will manage and operate all aspects of the Championships.

### SPONSORSHIP

USBC shall be authorized to lease or rent exhibit space to the approximate number and type of exhibitors customary to USBC tournaments and shall retain all proceeds derived from the leasing or sales of such space. Additionally, USBC and its exhibitors shall be allowed to sell any goods and services of USBC sponsors (outside of food and beverage). USBC shall provide the Host Community with a list of goods and services that will be provided through their exhibitors. USBC and its vendors shall have exclusive right to sell such goods and services within the venue during the term of the USBC Championships.

### TOURNAMENT VENUE

- USBC owns all rights to signage, merchandise, advertising, promotional opportunities and sponsorship sales at tournament venues, excluding any existing venue agreements (signed prior to Jan. 1, 2025) for sponsorship of the venue marquee or of the venue permanent signage. In addition, USBC maintains exclusive rights to all tournament-related intellectual material. All use of the USBC name and logo and tournament name and logo must be approved in writing by USBC.

### HOST COMMUNITY

- USBC owns all rights to the use of USBC's name/logo and tournament name/logo in the host city during the event. As early as one year prior to the tournament opening, USBC will offer local businesses within and around the host city (restaurants, retail stores, golf courses, sightseeing destinations, etc.) sponsorship opportunities that will best enhance the experience of the tournament bowlers converging on the Host Community. USBC will either directly negotiate these sponsorship opportunities or hire a local agency to sell on behalf of USBC, with that agency receiving a commission for their efforts.
- USBC realizes that the Host Community may wish to solicit partners to assist with the financial commitment USBC requires. In order to advertise within the venue and market to its participants, Host Community partners will be required to partner with USBC. Host Community is welcome to work closely with USBC to provide a three-way partnership that may include exclusive or presenting sponsor rights with these partners.

### ADVERTISING

- USBC places a great deal of emphasis on communicating with the participants multiple times leading up to the tournament and mails directly to each tournament bowler within one month of their arrival to the host city. Allowing them to see the attractions of the host city in these pre-event materials is crucial to the success of those businesses over the duration of the tournament. It is crucial for local businesses to commit early in order to gain the maximum amount of possible exposure.
- In the event that a local business decides to forgo USBC sponsorship opportunities, they lose the right to advertise the USBC name and tournament name in any of their own advertising efforts.

*Sponsor Signage*

*USBC Merchandise*

### **MARKETING AND PUBLICITY**

- Provide the Host Community with an agreed upon number of pages in appropriate Tournaments-related publications. The USBC shall also provide the Host Community with an agreed upon number of all collateral pieces.

### **CHAMPIONSHIPS MANAGEMENT**

## SECTION VI HOTEL REQUIREMENTS

For the duration of the tournament, at least 400 acceptable rooms must be available for bowlers and their guests each day. USBC utilizes the services of a third-party travel agency to negotiate and contract with participating hotels.

USBC requires a wide range of hotel choices for bowlers and guests to choose from, including budget hotels and limited-service hotels.

USBC prefers hotels within a maximum 20-minute drive of the tournament venue(s).

### ***HOTEL COMMISSIONS***

Any costs or commissions paid to USBC's third-party agency will be negotiated between the hotel(s) and the agency separate and independent from any contract with USBC. USBC must be notified of any hotel rebates specifically used for the purpose of funding of USBC's fee to bring the tournament to the Host Community. Any other promotional assessments are prohibited outside of this program.

### ***HEADQUARTERS HOTEL***

USBC may be interested in securing a Tournament Headquarters Hotel(s) and will position the property (or properties) as the flagship hotel(s) for bowlers and guests during the entire run of the Championships.

As a tournament headquarters hotel, there are multiple sponsorship packages available to choose from. Examples of other opportunities for the headquarters hotel(s) include:

- first hotel promoted to bowlers and guests.
- listing on BOWL.com.
- front cover placement on housing brochure.
- press release naming hotel as "Tournament Headquarters Hotel."
- the ability to partner with USBC on Team Captain mailings.

### ***To be considered as the headquarters hotel, the property must meet the following criteria:***

- 60% of the tournament headquarters hotel rooms must be held for the tournament.
- 50% of the total block must be double/doubles.
- USBC will earn one (1) complimentary room for every forty (40) rooms utilized. USBC will have up to 18 months from the close of the tournament to utilize complimentary rooms, or the hotel may provide a cash settlement direct to USBC for any unused complimentary rooms. Any cash settlement will be calculated as follows: number of remaining complimentary room nights multiplied by tournament room rate.
- Should USBC decide to hold any functions, meetings or banquets at the hotel, the space must be complimentary.
- Hotel must provide shuttle service to and from airport and bowling venue during the entire time period of the tournament.

## SECTION VII FINANCIAL COMMITMENT

The basic agreement calls for free rental of the center(s) to conduct the tournament. This rental agreement includes all utilities (electrical, water, etc.), security, housekeeping and maintenance at no charge. The USBC will pay the host center(s) an agreed upon lineage fee for each game bowled during the Championships.

The Host Community is responsible for a Tournament Subsidy which must cover the lineage expenses charged by the bowling center(s) plus a subsidy of \$20 per unique bowler. Host Communities are welcome to provide additional funds in the subsidy to assist as the USBC will undertake certain facility enhancements as part of the tournament. Proposals above the minimum can be additional subsidy monies, in-kind goods or services, or any combination thereof. Facility enhancements typically include, but are not limited to:

- Lane mapping and leveling
- Installation of USBC's tournament scoring system
- Installation of other technical systems (servers, telecom, etc.)
- Installation of USBC exhibitor/vendor space

The proposed bowling center(s) are responsible for mutually agreed upon costs associated with equipment or maintenance to bring the center to a championship caliber. USBC will work closely with the host center proprietor(s) to negotiate any required enhancements.

USBC is flexible on the payment schedule of the fee and any subsidy. All payments must be made prior to Jan. 1 of the tournament year.

## SECTION VIII LETTER OF INTEREST

The first step in the proposal process is to submit a Letter of Interest to USBC by July 1, 2023. The letter should indicate that the potential Host Community can meet the financial commitment, has the required center(s) available for the duration needed and is interested in submitting a detailed proposal for a Women's Championships.

Proposers may express interest in any or all of the three Women's Championships, however, only one event will be awarded to a Host Community.

**Letters of Interest may be submitted at any time prior to the July 1 deadline.**
